Around the Square

Sometimes there just ain't any justice. We went to great pains (an hour and a half of telephonic shuttling) and some expense ($7) to give NEWS readers "the latest" in the C. W. Jones traffic mishap story last week. The sheriff back in Wayne County, Indiana, flatly denied that Mr. Jones already had left for Sierra Madre and assured us that he was still waiting there for trial. That was Wednesday noon. On Thursday night Mr. Jones arrived home. That made us (1) liars, and (2) understandably angry at the sheriff for giving us the wrong information. Ho hum!

* * *

On the assumption that it's only a matter of time before parallel parking comes to downtown Sierra Madre, we respectively refer women drivers to the August issue of Woman's Home Companion. There, on page 4, they will find illustrated hints on how to park. It even shows how to correct the "bad starts" which leave cars at odd angles to the curb. The reason we single out women drivers for this "homework" is that they have most often said they "can't seem to learn how to parallel park."

* * *

It may have been just a coincidence but the circulatory pump at the Canyon Pool burned out Sunday—the same day an all-time attendance record was chalked up. Too much strain, no doubt. At any rate, the chlorine has to be regulated manually now, until the pump is repaired.

* * *

We've had several requests to reprint the unlisted telephone number at the pool. It's CUster 5-9004. Now maybe Johnny — or perhaps even his dad—won't be able to hide out in the plunge these hot afternoons or evenings.

* * *

"Tell the mothers that we are taking extra precautions with their youngsters." That was the plea this week of Recreation Director Philip T. Mitchell, who explained that headgear have been bought for the Wednesday night boxers. "With these helmets the boys were able to box gleefully and excitedly last week, and no one was hurt." He added, however, that the class still is in need of some sort of gymnasium. How about it?

* * *

Reminiscent of the Armed Forces during World War II, aircraft recognition charts have come to the City Hall. One or two of the posters have been posted for specific use by Civil Defense volunteers. They include silhouette drawings of the principal Air Force, Navy, and Marine Corps planes.

* * *

THIS WEEK'S "GEM": Politicians who assume that an election is in the bag may be left holding it.

* * *

Seen any flying saucers this week? It's the vogue, you know.

—STAN CANN

Registrations Lag For Day Campers

Registrations are coming in slowly for Day Camp, Recreation Director Philip T. Mitchell reported this week.

The first one-week Day Camp, for youngsters in the second and third grades, will get under way Monday, Aug. 4, at Sierra Madre Villa Park.

"We can't afford to make last-minute plans," stated Mr. Mitchell. "So please tell the parents to hurry up to the City School and enroll their children."

He assured mothers and fathers that the Day Camp will have "plenty of supervision."

The school bus will pick up children at City School at 9:10 a.m., take them to the camp site in time for opening exercises at 9:30, then transport them back to school by 3:45.

Sierra Madre Villa Camp is county operated and located approximately half a mile north of Sierra Madre boulevard and immediately east of Sierra Madre Villa. The City Recreation Commission obtained special permission from the County Department of Parks and Recreation for use of the site.

Youngsters attending the camp should take their lunches, Mr. Mitchell announced. A registration fee of $1.25 is charged for the week-long camp.

A second Day Camp, for boys and girls of the fourth, fifth and sixth grades, will start Monday, Aug. 11.

. . . masculine viewpoint

FUND APPEAL ENTERS 'MOP UP' PHASES

Volunteer workers are entering "clean up" phases of the Salvation Army's fund appeal in Sierra Madre.

Miss Iris Burt, army representative who has been spearheading the local campaign, said all that remains this week is final "call backs" of people who were not home when called upon for donations.

R. C. Lewis, president of the Bank of Sierra Madre, is chairman of the Sierra Madre sponsoring committee. A. E. Morgan, bank vice-president, is the committee's treasurer.

Night Ball Games Studied for School

The possibility of erecting temporary lights for night ball games at the City School playground is being explored by the Recreation Commission.

Philip T. Mitchell, recreation director, explained that the lights have to be of a temporary nature, since any permanent installation would have to be included in the school budget.

(Editor's note: This announcement tends to confirm the belief that the Recreation Commission never intends to further develop the baseball field at the city water grounds. This field was laid out at great expense in time and money by the VFW Post.)

CROWDS SET 2 ATTENDANCE MARKS AT POOL

Hot, sticky weather drove Sierra Madreans under water last weekend and their attempts to seek relief set two attendance records at the Canyon Pool.

A two-year record was shattered Saturday afternoon when 257 people frolicked in the city-operated plunge.

An all-time record was set on Sunday when 412 swimmers made the pool their refuge from the blistering heat.

"It looked like a parade of people and cars coming up into the canyon," related Pool Manager Harold S. Turner, shuddering slightly at the memory.

He said things went quite smoothly, however, since most of the family groups stayed only an hour or so.

Kiwanis Club To Hear Psychologist

"From Where He Stands" is the subject for next Tuesday's noon luncheon meeting of the Sierra Madre Kiwanis Club when Floyd Corbin, consulting psychologist and popular lecturer, presents the masculine viewpoint.

The Kiwanians meet at 12:10 at the Woman's Clubhouse, 270 W. Sierra Madre boulevard.

Mr. Corbin's talk will center around psychology and the science of the mind. Before losing his sight the speaker served 19 years with Union Pacific Railroad Company, both in the operating and traffic departments, and was city agent for the department of tours in Chicago and city passenger agent for the company in New York City.

Kiwanian Harry A. Lange will be program chairman for the day and introduce Mr. Corbin.

Civil Defense Body Enrolls 198 Volunteers

While attendance figures did not even approach the 650 invitations sent out, Sierra Madre Civil Defense officials expressed satisfaction in results of their organizational meeting last Wednesday night.

Formally enrolled during the evening were 198 volunteers. For some of these, however, it was a matter of re-registering, since they had been signed up with the city employees more than a year ago.

Col. Charles R. Gildart, associate director of Civil Defense, opened the session with an orientation talk in the Council Chambers. Following this, citizen workers were sent through the various phases of registration: getting identification cards, armbands, and taking the loyalty oath.

Many comments were heard during the evening on how well the registration procedure was organized and executed.

Volunteers helping to supervise the session included Mrs. Marjorie Ellis, Mrs. Philip Mitchell, Miss Wanda Hylicke, Mrs. Tom Nielson, Mrs. Noren Eaton, Mrs. Harold Roberts and Mrs. N. A. Howe.

The evening closed with the presentation of two Civil Defense films at the City School.

Planners Nix Lot Split, Variances

Apparently following their new "get tough" policy, city planning commissioners rejected a lot split and two variance requests at their session Thursday night.

The sideyard variance applications were submitted by Mr. and Mrs. David Cohen and asked permission to reduce the sideyard from 10 feet to 6 feet, 6 inches, and the distance between the existing building and their proposed building from 20 feet to 12 feet.

The commissioners informed Mr. and Mrs. Cohen that their existing house is facing improperly on Highland, since the lot has a 48-foot frontage on Lima and a 150-foot frontage on Highland.

Their petition was denied on grounds that there is insufficient front and rear setbacks.

The lot split request, also turned down by the Planning Commission, was submitted by Hazel and Jean Woodward, 470 Ramona. Their application was denied on grounds that a survey map showing location of the lot lines and existing building has not been presented to the commission.

Baker Attends Managers' Meet

R. Merritt Baker represented Sierra Madre Friday, July 25, at the annual summer meeting of Southern California City Managers.

The session was held at the Huntington Hotel in Pasadena. City Administrator Baker reported that numerous subjects of municipal interest were discussed during the meeting.

CHIEF ASKS LAW TO CURB PUBLIC PROPERTY DRINKING

An ordinance to prohibit drinking on public property was proposed last week by Police Chief Gordon G. McMillan.

He informed the city councilmen that existing laws do not "reach" in handling many cases. The chief cited a recent incident near the Canyon Pool when a group set up a keg of beer and had a party.

They weren't drunk enough to lock up as drunks, he said, and they were not making enough of a ruckus to come under the heading of disturbing the peace.

"But they were drinking in view of small children, and there were several complaints from parents," Chief MacMillan stated.

He added that similar incidents have been occurring on several occasions. The proposed ordinance also would be aimed at the "parked car-beer bust" set.

The councilmen tabled the proposal and will explore it further at their next pre-council meeting.

G. G. McMILLAN
. . . 'laws don't reach'

City School Board Sets Date of Budget Hearing

Commission Sets Public Hearings On Modified C-1

Two public hearings on the proposed creation of a modified C-1 zone for Sierra Madre boulevard have been scheduled for Aug. 28 and Sept. 25.

Mrs. M. R. de Wright, chairman of the Planning Commission, said the hearings would be held at 8 p.m. at the City Hall. The new commercial zone probably would provide for residential-type businesses having front-yard setbacks.

Mrs. de Wright also announced that public hearings will be held on the same evenings on the proposed rezoning from R-1 to R-1L of property along the northerly limits of Sierra Madre.

Police Nab Two Suspects, Recover Car

Sierra Madre police recovered a stolen car and nabbed two teenage suspects on North Santa Anita avenue early yesterday morning.

Booked at the local Police Department, and then released to Pasadena officers, were two youths who gave their ages as 19 and 17. The 19-year-old boy allegedly was driving. They were charged with grand theft auto.

Officers Randall S. Fish and Truman O. Harte reported that they first observed the car while on routine patrol along the Chantry Flats road. They said both suspects "appeared very nervous" and kept turning around to see who was following them.

When the car was halted for investigation, the police said they recognized it as one that had been listed as stolen by Pasadena police. The registered owner was said to be David Fernandez of Oxnard, who stated that it was stolen from in front of 2764 E. Colorado street, Pasadena.

PROPOSED BUDGET SHOWS RETURN TO 90c TAX RATE

Public hearing on the tentative 1952-53 budget for Sierra Madre City School District has been set for Wednesday, Aug. 6, 8 p.m., at the school.

The proposed budget reflects a decrease of approximately $20,000 from local taxes. But this decrease is offset to a large extent by an increase of about $12,000 in apportionments and allowances from the state.

This state increase—plus several other small increases in income—bring the actual drop in income to roughly $7000.

School officials explained that the loss of $20,000 in local taxes is due to the district's return to the legal tax rate of 90 cents per $100 of assessed valuation after a one-year term at $1.20.

Practically all other nearby school districts have voted to exceed the 90-cent rate for a period of five or ten years, it was pointed out.

With the exception of the capital outlay fund, all other items of the proposed budget show an increase of from 5 to 15 per cent. These boosts are in line with increased costs of supplies and services and raises in salaries, according to a school spokesman.

Attention was called to a "drastic drop" in the capital outlay budget item. The drop, totaling more than $16,000, is made possible because the deficit caused by the cost of the new school building has now been met. This had been the reason for the district's adopting a one-year tax rate increase of 30 cents.

The $2000 remaining in the capital outlay fund is earmarked for playground development, in connection with the new school unit, and a continuation of the school's modernization program.

Freeland Travels North to Attend Funeral for Father

Al Freeland, city water superintendent, is journeying to San Francisco today to attend the funeral of his father, William Freeland, who died in a San Francisco hospital Monday, July 28. Interment will be at the Golden Gate National Cemetery.

Dentist Routs House Prowler

Dr. John L. Woehler, 718 Manzanita, had an uninvited house guest when he returned home from the movies late Saturday night.

He spotted the prowler in his living room when he drove into his driveway. As Dr. Woehler entered the front door, the unidentified man sped out the rear door and hid in the bushes.

The local dentist said he ran into the bushes after him, but that the man broke away and escaped. He complained that even though the back door was unlocked, it had been pulled off its hinges.

Dr. Woehler could give no description of the prowler.

Dedication Opens Ranch Reservoir

The Morris S. Jones Reservoir, located in the Hastings Ranch, just north of Field Elementary School, was formally dedicated Tuesday by Pasadena city officials.

The reservoir, the largest owned by Pasadena, has a capacity of 50,000,000 gallons. It was open for public inspection almost all day Tuesday, and visitors were able to see the first water pumped into the tank.

Eventually a new city park is planned for the top of the reservoir.

Masons to View Films on Brazil

Sierra Madre Masons will see motion pictures of Eastern Brazil when they meet Tuesday, Aug. 5, for their only get-together during the month of August.

Presenting the films will be Bruce Dixon of the Pasadena Scottish Rites.

Suman Girls Win Berths On LA Team

Nolie and Susan Suman of Sierra Madre are two of the four girls in the Los Angeles area who have earned the privilege of participating in the US Lawn Tennis Association National Girls Green Courts Championships at the Cricket Club in Philadelphia Aug. 25 to 30.

The team also will include four girls from the San Diego area. It is expected that four of the eight Southern California girls will make the US Junior Wightman Cup Team, considered an exceptional honor in tennis circles.

Nancy Dwyer of Brentwood and Julie Sampson of San Marino are the other Los Angeles area girls selected with Nolie and Susan.

The Suman girls are the daughters of Mr. and Mrs. A. L. Suman, 332 Sturtevant drive.

Summer School To End Aug. 8

The Summer Session at Sierra Madre City School will come to a close next Friday, Aug. 8.

Attendance throughout the five-week session has been maintained at 60 pupils, according to a spokesman in the school office.

HURWIT HURT IN BIKE-AUTO COLLISION

Ronald Louis Hurwit, 13, 203 Santa Anita Court, suffered a fracture of the left collarbone early Friday afternoon when his bicycle collided with an auto driven by Lester A. Reed, 41, of 1527 Benning street, Duarte.

The accident occurred at the intersection of Sierra Place and Suffolk as Hurwit was cycling east and turned onto Suffolk. Police quoted both Hurwit and Reed as saying they unsuccessfully tried to swerve and avoid each other. No citations were issued.

Ronald was treated by Dr. M. H. A. Peterson and spent the night at St. Luke Hospital. His father, Ralph Hurwit, said he probably will wear a cast from four to six weeks.

Council Gets Sharp Letter, Ultimatum

In a sharp letter to the City Council last week, Virgil J. Butler of Arcadia demanded immediate action to end "the nuisance now being maintained along the public street opposite 290 and 296 W. Orange Grove."

Mr. Butler gave the councilmen 10 days to notify him of what solution they have to the problem.

He contends that a city-maintained ditch lacks adequate drainage and discharges water across the street and on the two properties.

"Too much time already has elapsed since (our discussing the matter) without any remedial action having been taken," Mr. Butler stated.

The letter was referred to City Attorney T. Guy Cornyn.

MRS. EDITH DANE RESIGNS AS NURSERY SCHOOL HEAD

Mrs. Edith Dane is resigning as president of the Sierra Madre Community Nursery School Association.

She is applying for a teacher's job with the association. Her resignation as president, which came at a meeting of the Board of Directors Monday night, was necessary since, according to the group's by-laws, no board member may hold down a paid position in the school.

MRS. EDITH DANE
. . . surrenders gavel

Mrs. Dane said her resignation will become effective Sept. 1. No successor has been named. She has headed the Nursery School Association since January.

Mrs. Dane, former member of the Board of Trustees of the Sierra Madre City Schools, served for a year and a half as apprentice teacher at the Nursery School under Mrs. Marjorie Green, director. She has taught at the Windsor School in Boston, and for four years at Anoakia.

Other resignations from the board were received Monday from William A. Kinney and J. M. Schmidt. Both men are moving away from Sierra Madre, Mr. Kinney to Northern California, and Mr. Schmidt to Milwaukee.

Meanwhile the board adopted plans for their Nursery School building addition and will present these plans to the City Council next week.

MRS. CULBERTSON SETS HER 7TH WOMEN'S PISTOL MARK

Sierra Madre's gun-toting school marm established a new national women's record while competing in the California State Pistol Championship matches held at the Elysian Park Police Academy, Los Angeles.

Mrs. Margaret Culbertson, 38 W. Grandview, now holds seven of the eight possible national women's records. The one title still eluding her is in the time fire division.

Her record-breaking effort last week was in the .45 caliber national match course. Mrs. Culbertson's score was 278 x 300. The previous mark, held by Gloria Norton of Woodland, Calif., was 277 x 300.

Mrs. Culbertson also won a coffee table by virtue of her being acknowledged the "high lady shooter" with the .22 and .38. Her score in this competition was 1655 x 1800.

She ranked 39th in the field of 160 shooters (157 men, only 3 women) with a combined score of 2479 x 2700 for all three weapons — the .22, .38, and .45.

Mrs. Culbertson confides that she was presented a box of cigars for this achievement, but quickly traded them for a television lamp with one of the male shooters.

The Sierra Madre champion is a kindergarten teacher at City School.

ARC Swim Class To Open Tuesday

Sierra Madre's annual Red Cross-sponsored "Learn-to-Swim Campaign" will open Tuesday, Aug. 5, at the Canyon Pool.

Two identical three-week sessions are scheduled, and the second one will take local youngsters and youths right through the summer, until Sept. 13.

Sierra Madreans who wish to take the first course, Aug. 5 to 22, should register at the pool Tuesday morning. The free swimming instruction is open to anyone from six years of age and up, according to Mrs. Florence Peterson, executive secretary of the ARC chapter.

The courses, with Mrs. Audrey Smith signed up again this year as instructor, will be geared for all degrees of swimming proficiency — from "non-swimmer" threugh senior life saving.

Mrs. Peterson said Red Cross certificates will be awarded qualified pupils at the end of the summer. Classes will run from 9 a.m. to 12 noon, Tuesday through Friday, and a lifeguard will be on duty at all times during the swim campaign, she announced.

Additional information may be obtained from Mrs. Peterson at the ARC Chapter House, 41 S. Baldwin avenue.

Korsmeier Goes On Edison Tour

Mayor Henry F. Korsmeier was the guest of the Southern California Edison Company for three days this week on a conducted tour of the new Edison hydroelectric development in the Big Creek area, 65 miles from Fresno.

Mayor Korsmeier was one of a dozen or so valley officials and newsmen who made the trip. He was scheduled to return home last night.

MITCHELL REVEALS PLANS FOR FIRST COMMUNITY SING

Something new in the way of civic recreation is being planned for Friday, Aug. 22.

It will be Sierra Madre's first Community Sing.

Philip T. Mitchell, city recreation director, said local service clubs probably will help sponsor the event, which he hopes will develop into a regular "warm-weather" feature.

"The idea stems from our belief that 'a family that sings together clings together'," Mr. Mitchell explained.

He indicated that the sing probably would be held at the City Park in the early evening. A recreation exhibition is being arranged to augment the songfest.

Meeting May Hold Key to New Chamber

All former Chamber of Commerce and Businessmen's Association members are invited to a meeting next Monday, Aug. 4, 8 p.m., at the City Hall.

Purpose of the session is to study the possibility of reviving the now-defunct Chamber.

Association members who met last week pointed out the need of a Chamber of Commerce in Sierra Madre. They hoped that the present businessmen's group could serve as a committee for business promotion in the new Chamber.

FORESIGHT, CAUTION COULD PREVENT MANY DROWNINGS

ROY O. GILBERT, M.D., Los Angeles County Health Officer

Swimming remains one of the most popular, enjoyable and healthful of sports but it is not without danger since more than 6000 individuals were drowned in the United States last year. With the foresight and caution supplied by good swimming instruction, a great many of these deaths could have been prevented.

Fear is the bane of the inexpert or non-swimmer. Panic-stricken individuals who get into difficulty while in the water frequently dissipate their last chance for survival in a futile struggle. Yet it is not hard to acquire some skill in swimming and still easier to learn to stay afloat since the fat and air in the human body make 90 per cent of the men and practically all women buoyant. This is especially true when in salt water.

Everyone can learn to swim. In youth it helps to build strong, healthy bodies. For older people swimming in quiet water and in moderation, provides gentle exercise and does not strain the heart. Instruction in the art of swimming imparts skill and confidence, teaches the individual to avoid hazards, and makes him better able to handle emergencies that arise at less risk to himself.

You do not have to be a swimmer in order to save someone from drowning. The Red Cross points out that if a person is in danger a rope, an oar, a fishing pole, even an article of clothing may be extended as a lifeline from a boat, dock, or the shore. If the victim is farther away a wooden plank, tire, or other object that floats may be shoved out to act as a buoy while help is obtained. Only as a last resort should anyone, other than a strong swimmer, swim out to help a drowning individual. Double fatalities frequently result because a weak swimmer uselessly sacrifices himself in the attempt to rescue someone whose life is in jeopardy.

Anyone looking forward to a wet summer should learn the safety rules compiled by the Red Cross and the National Safety Council. Their timely warnings are herewith listed:

Select a safe place for swimming — preferably one supervised by a lifeguard.

Never go swimming alone.

Don't dive unless you know the depth of the water—make sure there are no hidden obstructions.

Don't enter the water when tired or overheated.

Don't demonstrate abilities you do not possess.

Don't swim immediately after eating. The length of time you should wait depends on the amount and kind of food eaten. If full of hot dogs and potato salad, keep out of the water for two hours. Stomach cramps are almost completely incapacitating.

Unless you know how to swim do not venture out in small boats or canoes.

Don't panic if leg cramps occur. Paraplegics, paralyzed from the waist down, swim constantly in deep water.

Water safety courses are given by the Red Cross during the summer months. If interested, call your local chapter for information. It will be good insurance for many pleasant and safer summers.

Mrs. McConnell Dies Suddenly At Home Here

Mrs. Kate Ella McConnell died suddenly Sunday, July 27, at her residence, 58 W. Grandview.

Mrs. McConnell, 92 years of age, was a native of Hammond, Iowa. She had been a resident here since 1935 and was a member of the local Congregational Church.

She leaves a son, Rufus Earl McConnell of Beverly Hills; two daughters, Mrs. Lotta Guth and Mrs. Mary Frohardt, both of Sierra Madre; six grandchildren, and seven great-grandchildren.

Funeral services were held yesterday, 11 a.m. at Grant Chapel, with the Rev. Carl Smith officiating. Interment was at Mountain View Cemetery.

POWELL WINS 'BEST SPEECH' HONORS HERE

"Become a Better Story Teller" was the title of the "best-speech" effort of John Powell at last week's meeting of the Sierra Madre Toastmasters Club.

Declared the second best speech of the evening was "The Value of Friendship," given by Robert Milo.

Other speakers included Howell Tyson, Les Snuddin and Don McKenna.

Toastmaster for the evening was Dud Wright. Henry Gregor was general evaluator for the meeting.

C.N.P.A. MAILING SERVICE

COLLEGE OR MARIN SCIENCE students, Dolores Da Silva and Jim Allen, take a sample of soil from the roots of a recently fallen redwood tree in famed Muir Woods to send to Lederle Laboratories in Pearl River, New York, where the "golden wonder drug" aureomycin was discovered and developed. Aureomycin, most versatile of the life-saving drugs developed from molds, was found in a sample of soil from Missouri—one among tens of thousands of soil samples tested by the laboratory. But the search goes on. Perhaps an even more effective antibiotic may be discovered among the soil samples now being taken from selected areas all over the world. These Marin students will receive a report from the Lederle Laboratories on the samples they send. They're hoping that the soil which has kept a gigantic redwood alive for 2000 years or more will yield a mold that will do the same for human beings!

SCOUTS GO ON 9-DAY CAMP TRIP

A roundup of Sierra Madre Boy Scouting activity this week discloses that camping is the summer vogue.

Most ambitious of the local units is Troop 3, whose 13 Scouts and Scoutmaster George Black returned Tuesday from a nine-day camping trip which included an 18-mile pack hike from Sequoia to Hamilton Lake. Accompanying the troop were Advancement Chairman Berkshire, Camping Chairman Hans Gutherz, and Guest Jim Spears.

An "advance guard" of Troop 3 made a trip to the camping site several weeks ago to scout the area.

Eight boys of the Troop 1 Explorer Post had a conducted tour of San Gabriel Dam No. 2 during a recent weekend. A forest ranger showed the boys around the lake and demonstrated flood control, soil conservation, and fire prevention.

Another recent Scout expedition occurred on July 12 and 13, when 14 boys of Troop 4 enjoyed an outing at Huntington Beach.

LOW HUMIDITY IN N. M.

Humidity in New Mexico is as low in winter as it is in the summer, reports the National Automobile Club.

WCTU DONATES TWO VOLUMES TO LIBRARY

Members of the Harter WCTU have donated two books to the Sierra Madre Public Library.

The books are "Alcoholism or Total Abstinence," by C. Audrey Kearn, and "Wet Science Invades the Schools," by Ernest Gordon.

The gifts were voted at a recent meeting of the WCTU.

Shriners to Have Gigantic Parade Before Grid Game

Reminiscent of the famous Shrine Night Pageant that was staged in the LA Coliseum during the Imperial Council Session of 1950, will be the colorful parade activities to be presented as a part of the first annual Shrine Hi Football Classic, scheduled for next Thursday, Aug. 7.

More than 30 bands will participate with scores of mounted units, marching units, and uniformed organizations of the three great Southern California Shrine temples: Al Malaikah, Los Angeles; Al Bahr, San Diego; and El Bekal, Long Beach.

The pageantry will start at 7 p.m., before the North vs. South football game, and will include appearances by stars of stage, screen, radio and television.

Church May Now Cover Parkway

The Church of the Ascension may cover the parkway area in front of the church building and school grounds, but the "covering" must be concrete—not blacktop, as originally requested by the church.

Members of the Planning Commission voted authority for the Episcopalians to fill in the area between curb and sidewalk at their meeting Thursday night.

J. Andrew Halls Return Home After Motor Trip North

Dr. and Mrs. J. Andrew Hall and daughter, Jean, of 611 W. Grandview, have returned home from a motor trip through the Pacific Northwest, during which they visited their son and his wife, Dr. and Mrs. J. Andrew Hall Jr., in Oregon.

Away from Sierra Madre for two weeks, the Halls included tours of Lassen Park and Crater Lake in their travel itinerary.

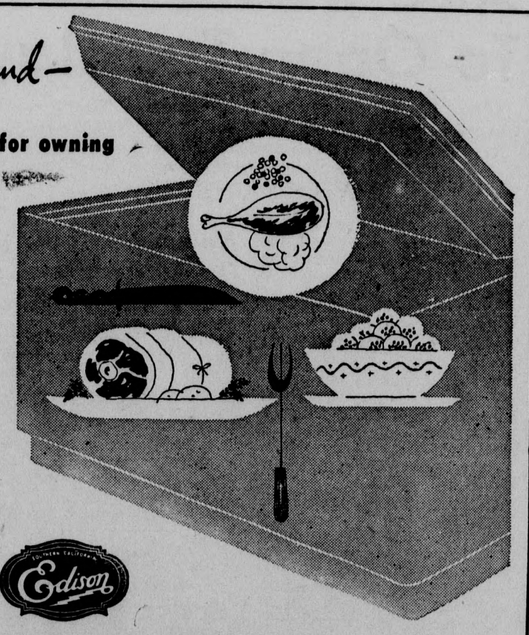
your family will eat better all year 'round—

another good reason for owning an electric home food freezer!



Appetites are funny—they have no regard for calendars. But the words "out of season" can be dropped from your menu-planning vocabulary when you have an electric home food freezer.

Everything is in season at any season, in a freezer. You can keep the pick of the crop for serving any time the family's appetite calls for it—and it will be field-fresh, as tasty and delicious when you serve it as it was when you stored it away.

Certainly that's one of the benefits you get from owning an electric home food freezer. There are many others, too—all automatically yours with your freezer. So why wait—see your dealer now.

Local Delegation Attends GOP Event

A delegation of several Sierra Madreans attended the Republican Assembly breakfast Saturday, July 26, at Verdugo Park in Glendale. Co-hosting the event were the Glendale Republican Assembly District and the Los Angeles County Republican Assembly Committee.

Guest speaker was Adm. Leslie Gehres, retired, who commanded the famous aircraft carrier, USS Franklin, during World War II.

HE WASN'T KIDDING ABOUT QUITTING TIME

Diane Sunbery, 8, had a harrowing experience one afternoon last week. She was locked up in the Canyon Pool bathhouse.

The little girl learned one lesson from the whole experience, however. When the lifeguard says the pool is about to close he means it.

Diane's mother, Mrs. Rita Sunbery, 327 Sycamore Place, said after the guard announced that it was five minutes before quitting time they went into the bathhouse to change their clothes. "But we had a little trouble getting the wet bathing suit off Diane," she continued.

When they were finally ready to leave, Mrs. Sunbery said, the bathhouse door was locked and everyone was gone. "Diane was very frightened, thinking she'd have to spend all night in there."

After banging on the windows for several minutes, the woman and her daughter, were "rescued" by William Noel, city street superintendent.

MISS SUE HANSEN TRAINS FOR STATE DEPARTMENT POST

Miss Sue Hansen, formerly of 720 Skyland drive, is in Washington, D. C., taking preliminary training with the State Department, after which she will leave for Brazil and a stint as Public Affairs Assistant in the South American country.

Sue is the sister of Mrs. Paul B. Johnson, who lived in this city before leaving for Amman, Jordan, where they are working for the American Friends Service Committee.

Mme. Thiry Kreuwels, editor of "A Votre Service" (At your Service), Belgian food retailing magazine and Romain A. Raymaekers, general manager of the Belgian Federation of Food Wholesalers (right) led a group of twenty-seven Belgian food distributors visiting Sunkist Growers this week.
The group touring the U. S. under the auspices of the Dept. of Commerce heard F. R. Wilcox, assistant general manager of the farm cooperative (center) explain the problems of food exporting.
Export sales of Sunkist citrus fruits last year totaled more than eight million dollars and overseas shipments for the year to date have been running at a high level.

C. W. JONES DESCRIBES PRE-ACCIDENT 'BLACKOUT'

C. W. Jones, now home again in Sierra Madre, blamed the "steam-laundry atmosphere" of Indiana for his momentarily blacking out and becoming involved in a fatal traffic accident there on July 18.

Mr. Jones, Sierra Madre's first mayor, told the NEWS that he hoped his many friends here would not think he was driving negligently or that it was a hit-and-run accident.

"My conscience is completely clear," he stated. "It seemed to be a case of an unavoidable accident, occurring at a time when I was overcome by the heat and not conscious."

The prominent early resident has pleaded not guilty to charges of reckless driving homicide and is at liberty on $2000 bail. He said he was told it would be two or three months before his case comes to trial. One of two Indiana boy bicyclists, allegedly run down by Mr. Jones' car, died of injuries a few hours after the accident.

Mr. Jones, who was visiting his native state as a part of a vacation tour of the Middle West, said he was driving alone the afternoon of the accident. His grandson, Philip Proctor, 18, of San Diego, was playing baseball in a park and the Sierra Madrean was driving back to pick him up.

"After living for so many years in Sierra Madre's dry climate," he said, "I just couldn't take the intense, humid heat of Indiana."

He related that as he drove along he "felt encased in a film of gooey moisture."

"I sensed an uncontrollable condition that was seeming to render me unconscious. I had been fighting this feeling and thought I had conquered it when suddenly, without warning, I passed out."

Mr. Jones explained that "the crash (impact of striking the two boys) probably aroused me."

But he said at the time he thought it was the rattling of gravel against the fenders and undercarriage of his car that snapped him out of it. His auto had swerved off onto the gravel "shoulder" during his black out, he stated.

"There was a strong wind coming from my right, and as I looked into my rear-view mirror all I saw was a big cloud of dust, apparently caused by my passage over the gravel siding."

Mr. Jones said he drove back onto the highway and continued on his way. It was not until quite a while later that sheriff's deputies overtook him and informed him of the accident.

He remarked that throughout the entire proceedings he was "treated very kindly" by Wayne County officials. He started his return trip to Sierra Madre on Monday, arriving here Thursday night.

The former mayor expressed "amazement" that Wayne County Sheriff Ora Wilson had told the NEWS that he was still in Indiana last Wednesday. "Why, the sheriff personally said goodbye to me on the previous Saturday afternoon," Mr. Jones said.

'Buckeye' Gathering May Attract 10,000

An anticipated 10,000 former "Buckeyes" will attend the annual Ohio picnic Sunday, Aug. 3, in Bixby Park, Long Beach, according to Minnie Burns, state society president.

The Long Beach Municipal Band will open the program at 1 p.m., followed by an address of welcome by Lyman B. Sutter, vice-mayor of Long Beach.

Couple to Pass Texas 'Exile' Without NEWS

"We cannot stand to be reminded of what we are missing," writes Sierra Madrean Mrs. W. C. Olcott from deep in the heart of Texas.

She asked that their subscription to the NEWS be discontinued during their "exile" in Texas. "We will not have a permanent mailing address until our return to California next year."

"Some of the issues did reach us in Mexico, and were very happily received, but now during our 'exile' in Texas we cannot stand to be reminded of what we are missing," Mrs. Olcott stated.

Services Held Saturday for J. J. Bradley

Funeral services were conducted at Grant Chapel Saturday morning for John Justice Bradley, formerly of 96 Suffolk, who died in a Los Angeles hospital Thursday, July 24. He had been ill for only a short time.

Mr. Bradley, 71, was a native of Canada and had been a resident of Sierra Madre for 12 years.

He is survived by two sisters, Mrs. Stella Koehler of Compton and Mrs. Eathel E. Fee of Edmonton, Alberta, Canada; and a brother, Alfred R. Bradley, also of Edmonton.

The Rev. Carl Smith officiated over the services Saturday. Interment was at Mountain View Cemetery.

LEGION AUXILIARY INSTALLS MRS. BENT AS PRESIDENT

Mrs. Bernadyne Bent was installed Thursday night as president of the Sierra Madre Unit No. 297, American Legion Auxiliary, during ceremonies conducted at the home of Mrs. Lloyd Welch, 50 Montecito Court.

This is the second term as president for Mrs. Bent, and she was presented a past president's pin as a token of appreciation from the unit. This presentation was made by Mrs. Edna Faller, junior past president.

Mrs. Leila Embree, a past president, conducted the installation for Mrs. Bent and the other new officers: Geraldine Welch, first vice-president; Amy Beisel, second vice-president; Thelma Proctor, secretary; Edna Faller, treasurer; Maybelle Barker, historian; Elise Hadlock, chaplain; Hazel Pries, sergeant-at-arms; Catherine Miller, marshal.

Installed to the executive board were Mrs. Embree, Rose Galkin and Anne Willumsen.

At the close of the meeting Mrs. Faller, retiring chaplain, conducted a short memorial service for two members, Imo Koon and Leola Lyon, who passed away recently.

Brownie, Intermediate Girl Scouts Enjoy Monrovia Day Camp

Tweny-five Brownie Scouts and eight Intermediate Girl Scouts spent three days last week and three the week before at a day camp operated for the Girl Scouts of this district at Monrovia Canyon Park.

Included on the program for the Brownies were such activities as singing, folk dancing, nature craft, small hikes, dramatic skits, outdoor cooking and making home-made ice cream. The Intermediate group spent the days in a study of camp craft in all its aspects.

Mrs. Julien J. Hildner acted as coordinating director of the Day Camp and served as director for the Brownie camps.

Knights of Columbus Convention to Offer Night in Hollywood

An evening in Hollywood will be one of the highlights of the Knights of Columbus Supreme Convention in Los Angeles, Aug. 18 to 21, it was announced by Edwin C. Boehler, general chairman.

Entertainment plans for delegates and guests include tours of motion picture, television and radio studios. The evening of Aug. 20 will be climaxed by a grand ball at the Hollywood Paladium featuring film stars and music by Les Brown and his Band of Renown.

An Editorial:

BUDGET SHOULD INCLUDE VITAL POINT FOR SAFETY

This is budget time in Sierra Madre.

A proposed 1952-53 budget is now being prepared by City Administrator R. Merritt Baker and probably will be presented to members of the City Council at their "iron-curtain" session Monday night.

Many citizens join with the NEWS in hoping that this year's budget will include provision for an additional patrolman. This would bring the Police Department down to a 48-hour work week —still "below standards" as compared with many other departments in the county, but at least a step in the right direction.

It is a step that would cost only about $3500, but one which would be worth immeasurably more than that in terms of the general welfare of Sierra Madre.

Indeed, it is a truism to say that the efficiency of any organization is directly proportional to its morale.

Legal Notice

PUBLICATION BUDGET OF SIERRA MADRE CITY SCHOOL DISTRICT OF LOS ANGELES COUNTY FOR THE YEAR ENDING JUNE 30, 1953

The following publication budget for school purposes was adopted by the governing board of the Sierra Madre City School District, at a meeting held July 15, 1952, pending publication, public hearing, and final adoption as required by the Education Code.

The public hearing on this budget will be held at Sierra Madre City School on August 6, 1952, at 8:00 P. M.

The public is cordially invited to attend this hearing.

C. C. TRILLINGHAM
County Superintendent of Schools

Toastmasters Stage Session For Kiwanians

Kiwanians sat in on a miniature Toastmasters Club session at their luncheon Tuesday noon at the Woman's Clubhouse.

Presiding was Art Ritterrath, Toastmasters president, who explained the purposes and aims of his group. Kiwanis President Hugh Warden served as "table topics" chairman and assigned one-minute, "off-the-cuff" speech topics to several members.

Impromptu speakers were Harry Eder, Charles Hostetter, Gene Lunsford, Art Morse, Bob Green, Bill Bodley, Felix Gibian, Charles Skutt and Dr. Milton Valois.

Toastmaster Bob Milo introduced the regular speakers, Harry Eder, Dr. Frank Page and Larry Bonney. Walt Goodwin was general evaluator, and Bill Bodley was assigned to do the timekeeping.

The program was designed to give Kiwanians and guests a "nutshell" view of how a typical Toastmasters meeting is conducted.

EDISON REPORTS MINOR DAMAGE FROM 1ST QUAKE

Southern California Edison Company reports that damage to company facilities resulting from the earthquake Monday morning, July 21, was "relatively insignificant."

Similarly, it was said that there was little effect on the company's overall service to customers following the quake, which was rated by seismologists as the most severe experienced in California since 1906.

Carl O. Wedberg, Edison Company district manager, said that throughout the company's 18,500 square-mile service area total damage to Edison operative property is estimated at $100,000. Generating plants, substations, lines, buildings and other buildings have been inspected, Mr. Wedberg stated, but is is possible that additional damage may exist and be undiscovered at this time.

Practically all damage, he pointed out, was caused by distribution lines being brought together, temporarily shorting out circuits. Altogether 356 Edison Company circuits were interrupted when the quake hit at 4:53 a.m.

ORANGE COUNTY FAIR TO OFFER FLOWER SHOW

One of the Southland's most brilliant flower shows will be presented as a free attraction to visitors attending the 1952 Orange County Fair, Aug. 13-17 at fairgrounds on the former Santa Ana Army Air Base between Santa Ana and Newport Beach.

Highlighting the "Tropical Isle" theme of the show will be jungle greenery festooned with orchids and featuring hundreds of tropical birds and even monkeys.

Entertainment will be provided several times daily in the flower show building by Hawaiian musicians and authentic hula dancers.

Fabulous Gem Exhibit Due

Lloyds of London insurance agents are in Los Angeles this week to study transportation and security measures to safeguard the 12-million dollar Winston Collection of Gems which will be shown for the first time on the West Coast, Aug. 17-20.

Winston's Court of Jewels, containing the fabulous Hope diamond and other world-famous gems ,will be open to the public at the Biltmore Hotel during the 4th Western Jewelry and Silverware Show and the annual convention of the California Retail Jewelers Association. Tickets will be distributed through retail jewelry stores of the state. This collection is considered second only to the Crown Jewels of Great Britain.

Garden Club Sets Potluck Picnic Date

Horace Ketteringham, horticulturist, will be guest speaker at the potluck picnic of the Sierra Madre Garden Club Monday, Aug. 11.

The event, slated for Arcadia City Park, will get under way at 6:30 p.m. Mr. Ketteringham's topic will be "Fall Planting."

Mrs. Frank Spencer, Mrs. Murray Hawkins and Mrs. Charles Morrison are in charge of coordinating picnic supper arrangements.

Legal Notice

NOTICE OF PUBLIC HEARING BEFORE THE PLANNING COMMISSION

NOTICE IS HEREBY GIVEN pursuant to the provisions of Ordinance No. 391 of the City of Sierra Madre as amended, that the Planning Commission of the City of Sierra Madre has fixed Thursday, August 28, 1952, at the hour of 8:00 o'clock P. M. in the Council Chamber of the City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California as the time and place for holding a public hearing on the question of a proposed variance to erect a carport three feet off curb line at property situated at 720 Canyon Crest Avenue, Sierra Madre, California legally described as Lot 74 and one-half of Lot 73, Tract No. 2456, and a portion of Lot B, Tract No. 4450.

The application for said variance is based upon the grounds that there are special circumstances attached to said property which generally do not apply to other properties in the same district and vicinity; that the granting of a variance as aforesaid will not result in a material damage or prejudice of other property nor be detrimental to the public welfare or injurious to persons in the vicinity thereof, in that the proposed variance, if granted, would be subject to such conditions as the Planning Commission may deem necessary to assure that the spirit and purpose of said Ordinance No. 391 will be observed, public welfare and safety secured and substantial justice done to all parties.

Dated July 28, 1952
By Order of the Planning Commission
DR. DAVID S. WOOD, Secretary

Pub. July 31.

NOTICE OF PUBLIC HEARING BEFORE THE SIERRA MADRE CITY PLANNING COMMISSION

NOTICE IS HEREBY GIVEN that on Thursday, August 28, 1952, and Thursday, September 25, 1952, at the hour of 8:00 o'clock P. M. on said dates in the Council Chamber of the City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California, public hearings will be held by and before the City Planning Commission of the City of Sierra Madre for the purpose of considering and receiving evidence relative to the proposed amendment of Ordinance No. 391 of the City of Sierra Madre, known as the Official Land Use Plan Ordinance, by altering the district boundaries of a portion of the R-1: (Single Family) Residence District and the uses permitted or prohibited therein, as shown on the map which is a part of such plan, and establishing therein the district boundaries of a new and additional district to be included in and become and be a part of the R-1 L: (Large Single Family) Residence District, as provided in said Ordinance No. 391 and as indicated and shown on the map now on file in the office of the City Clerk.

That the district boundaries of the new district to be included in and become a part of the R-1-L (Large Family Single) Residence District as aforesaid are as follows:

Description of Area proposed to be included in the R-1-L Zone in the City of Sierra Madre, County of Los Angeles, State of California more particularly described as follows:

Beginning at the North West corner of Section 17, T. 1 N., R. 11 W., S.B.B. and M.; thence southerly along the westerly line of said Section 17 to the north line of Tract No. 13320 as per map recorded in Book 265, page 42 of Maps in the office of the County Recorder of said County; thence easterly and southeasterly along the northerly line and the prolongation of the northerly line of said tract No. 13320 along existing lot lines to the west side of Lima Street; thence northerly along the westerly line of Lima Street 124.23 feet more or less to its intersection with the northerly line of Carter Avenue; thence, easterly along the said northerly line of Carter Avenue to the Southwest corner of Lot 17 of Piedmont Heights Tract as per map recorded in Book 34, page 1 of Miscellaneous Records in the office of the County Recorder of said county; thence northerly along the westerly line of said Lot 17 to its northwest corner; thence, easterly along the northerly line of said Piedmont Heights Tract being also the southerly line of Tract No. 9933 as per map recorded in Book 141, page 13 of maps in the office of the county recorder of said County, to southeast corner of Lot 4 of said tract No. 9933; thence northerly and westerly along the easterly line of said Tract No. 9933 and the westerly line of Auburn Avenue to a line that is parallel with and distant northerly measured along the easterly line of said Auburn Avenue 161 feet from the northerly line of Tract No. 5202 as per map recorded in Book 107, page 85 of Maps in the office of the County Recorder of said County; thence easterly along said parallel line to a line running in the northwesterly direction 159.82 feet more or less from the northeast corner of Lot 6 of said Tract No. 5202; thence southeasterly along said northwesterly line to and along the easterly line of said Lot 6 of said Tract No. 5202 to the north line of Auburn Avenue; thence east and south along the north and east lines of Auburn Avenue to the north line of Elm Street; thence easterly and southerly along said Elm Street to its intersection with the north line of Carter Tract as per map recorded in Book 10, page 65 of Maps in the office of the County Recorder of said County; thence along the northerly and easterly lines of said Carter Tract to the north line of said Carter Avenue; thence, along the north line of said Carter Avenue 273.86 feet more or less to the east line of Lot 23 of Sierra Madre Tract as per map recorded in Book 4, page 503 of Miscellaneous Records of said County; thence northerly along the easterly line of said Lot 23 to the southerly line of the NE¼ of Section 17, T. 1 N., R. 11 W., S.B.B. & M.; thence easterly along the southerly line of said NE¼ of section 17; to its SE corner; thence, northerly along the easterly line of said Section 17 to the NE corner of the SE¼ of the NE¼ of said Section 17 to said point being also the NW corner of the SW¼ of the NW¼ of Section 16, T. 1 N., R. 11 W., S.B.B. & M.; thence easterly along the southerly lines of the NW¼ of NW¼ and NE¼ of NW¼ of said Section 16 to the SE corner of NE¼ of NW¼ of said Section 16; thence southerly along the easterly line of the SE¼ of NW¼ of said Section 16 to the SE corner of said SE¼ of NW¼ of said Section 16; thence southerly in a direct line to the most northerly corner of Lot 47, Tract No. 6325 as per map recorded in Book 100, page 86, of maps in the office of the County Recorder of said county; thence south-east, east and south along the boundary of said Tract No. 6325 to its intersection with Grand View Avenue; thence, easterly along the north line of said Grand View Avenue to the west line of Santa Anita Avenue; thence, northerly along the westerly line of Santa Anita Avenue to the westerly extension of the northerly line of Tract No. 15709 as per map recorded in Book 398, pages 42 and 43 of maps in the office of the County Recorder of said County; thence, easterly along the prolongation of the northerly line and along the northerly line of said Tract No. 15709 to the Northeast corner of said Tract, said northeast corner being also the easterly boundary of the City of Sierra Madre; thence, northerly and westerly along said City boundary to the point of beginning.

At the above mentioned times and place, an opportunity will be afforded to persons particularly interested, and the public generally, to be heard and to present evidence on all matters relative thereto.

Dated: July 24, 1952.

CONZELMAN GIRLS ATTEND WEDDING OF SCHOOL FRIENDS

Gretchen and Julie Conzelman, daughters of Mr. and Mrs. John E. Conzelman of 658 Mariposa avenue, attended the wedding and reception on Saturday, July 19, of Miss Joanne Warren, a John Muir classmate, to LeRoy Druepple, also a Muirite and like his bride, active in student government affairs.

The wedding was held at St. Philip's, at noon, and was followed by a reception at Markham House. Consensus of the Conzelman report: "It was lovely!"

CHARLES L. STUARTS, WEEKEND GUESTS

Mr. and Mrs. Charles L. Stuart of Encino with their children, Merry Gale and Charles, were weekend guests recently of Mr. and Mrs. James L. Malone of 258 E. Sierra Madre boulevard. During their stay they made up, with their hosts, a theater party to the Pasadena Playhouse Saturday night. On Sunday morning they were guests of Mrs. Russ Rosene of 720 Skyland drive and her daughter, Sandra, who hosted an informal breakfast party at Chantry Flats, in the Angeles Crest Forest.

VISITS AT RANCH

Mrs. Robert O. Foote, 807 Skyland drive, is visiting with her family on their ranch at El Cajon, near San Diego. She flew down with her nephew in his plane, and will return via same transportation after a 10-day stay.

Teen Talk.

Margaret Ashcraft of Pasadena, was the house guest last weekend of Barbara Fergus, daughter of Mr. and Mrs. John S. Fergus of 154 W. Sierra Madre boulevard.

* * *

Zoe Barter, formerly of this city and now of Hermosa Beach, spent last week in town renewing old friendships. She was the guest of Sue Bauerle of 250 Rancho road. Chief topic of conversation as she visited her friends was the six months visit she had in Mexico City—wonderful, she reports.

* * *

Who said "vacation," anyway? Most teen-agers in Sierra Madre are holding down paying jobs while school is in summer recess; local merchants have been wonderfully cooperative about hiring their temporary help from the ranks of Muirites, PCC-ers, Marshall-ers and others trying to pick up a few spare coins before they take on the struggle with the books again. Nobody's complaining, though—they get to the beaches and mountains weekends, and meantime they're learning something school only half-teaches: that work can be as much a joy as play! And O boy—Pay Day!!!

* * *

Have you bitten your pet dog lately? Are you planning to murder your little sister—visit your aunt—get married—buy a jalopie? In other words, if you've got any news why not let Teen-Talk in on the deal? The more the better . . . call 3324; and don't be shy—that's how we sell papers, remember.

* * *

Barbara Fergus will leave August 10 to take two weeks training at March Field for the Civil Air Patrol. She's a daughter of the John S. Fergus family of 154 W. Sierra Madre. Furthermore she's a brand-new Auntie. Yep—it was a boy.

LOST OR STRAYED!
Siamese kitten, male, 5 mo. old. Vicinity of Sierra Madre Library. Children's pet. Reward. Don Jackson, CU. 5-1236 or Cu. 5-2243.

The lovely bride of Marston McNamar, USN, is on her way to the east coast, where she will live while her new husband is on duty. She was Miss Laura Evelyn Schreur, daughter of the Clarence Schreurs of 400 W. Montecito, before her marriage July 17 before the altar at the Bethany Church. Mrs. McNamar was graduated from P.C.C., and her bridegroom, who is the son of W. E. McNamar of Des Moines, Iowa, and the late Mrs. McNamar, from Des Moines Technical High School.

CAMP AT BIG BEAR

Mr. and Mrs. Raymond V. Jones and daughter, Vicky, of 240 E. Sierra Madre boulevard, spent last weekend camping at Big Bear Lake.

MRS. MABEL GRILL ENTERTAINS GUESTS, SHOWS ISLAND LORE

Mrs. Mabel Grill, 565 Los Rocas drive, entertained Sunday for Mr. and Mrs. Herbert Hall, Sr., and daughter, Shirley, of Boston, Mass.

Other guests included Herbert Hall, Jr., of Whittier, Mrs. Jean Melville of Los Angeles, and Mrs. Nourse and Mrs. Layfield of Sierra Madre.

Mrs. Grill showed her "exhibit" of Hawaiian curios which she collected on a recent trip to Honolulu.

Gouaux Honored Sunday Afternoon At Open House

An open house honoring the Mr. and Mrs. Leslie B. Wynne Jr. of 188 Santa Anita court, was given Sunday afternoon by Mr. and Mrs. Leslie B. Wynne at their home on Sturtevant drive.

The guests of honor, Mr. and Mrs. C. B. Gouaux of Lafayette, La., and their daughters, Leontine and Louise, plan to spend some time visiting in California before returning to Louisiana.

Twenty guests enjoyed the Wynne's hospitality and welcomed the newcomers to Sierra Madre and the Southland.

INSTALLATION RITES SET SEPT. 7 FOR NEW LUTHERAN PASTOR

Installation ceremonies have been scheduled for the Rev. Armin W. Hesse, new pastor of the Faith Lutheran Church, who will take over his pulpit duties here on Aug. 31.

The installation is planned for Sunday, Sept. 7, 3:30 p.m., in the downstairs of the Woman's Clubhouse, 270 W. Sierra Madre boulevard.

A reception, sponsored by the Women's Aid, will follow the rites.

One Way To Beat A Heat Wave

Shirleemae Wirth and Diane Bergan enjoy the cooling waters of the 35 foot, man-made Olson Waterfalls, Chicago. Like many of the 1,800 Olson Rug company employees, the two girls spend part of their lunch hour as pictured combating the summer heat.

FIRE FLAMES

The way the sun is beating down at this time of the day (1 p.m.) would make one think it was hot enough to cause fire as it strikes the ground. Fortunately, there are not many fires caused directly by the sun, but there are some.

If oily rags are permitted to be within the rays of the sun, there is an almost certainty that fire will result. It is also known that glass bottles left amid dry weeds or grass will cause fire from the sun.

There are many reasons why we should be very careful about allowing materials that are flammable to collect. Your cupboard containing oil mops, rags, etc., can be the direct cause of spreading fire. If enough heat is created, the oily rags or mops can form blaze and that's that.

Your fire department men are willingly giving much time toward fire prevention and fire fighting. Despite this, and because the National Underwriters have suggested that we keep men at the station, we have been asked if we wouldn't enjoy sleeping or staying at the station at night.

This practice was tried out during the war emergency and all those who "enjoyed" it have voted it a tiresome drill. After a fellow works all day at his own job and then turns up at the fire station to be obligated to stay there all night, and then to appear at his "bread-and-butter" job in the morning looking like he had just passed through the walls of Hades, it is not as enjoyable as it might seem.

But that's the way things go; the more you offer to do, the more offers you get to do it.

However, when the time arrives that men are needed for emergency, among the first to be seen on the scene will be the present members of the fire department.

The time has come when residents of Sierra Madre must rely on what little fire inspections we are able to accomplish to keep the fires down. Each person is partly responsible for conditions existing around and near his home. Bad spots should be immediately corrected or reported so action can be taken to correct the situation. Never forget that much burnable material will cause lots of heat and lots of heat is what requires much fire fighting. The small fire is easy to conquer, but it's the small fire that develops into the big one.

The winners of the recent competitive drill series are now crowing about it being a long time before August 2, at which time they will gather at the home of Bob Orme to eat at the expense of the losers. On the other hand, the losers are not saying too much about it. They compare with the "winners telling stories and the losers yelling PLAY."

It is expected that there will be plenty of good food. It will also be strictly "stag" and the wives well understand this. They have their "Doe" parties.

Another function to look forward to is the coming entertainment of the San Gabriel Firemen's Association here in September. This will be the first time Sierra Madre has had them here in more than three years.

MEETING YOUR NEIGHBORS IN

Hastings Ranch

KAY GATES—CUster 5-2183

Just home again from a week at La Jolla, one-fourth of the family on a business trip, the other three-fourths down there to enjoy the beach. It was so warm, though, that the most enjoyable time to swim was in the late afternoon and early evening. The biggest thrill of our stay down there for all four of us was our grunion hunt around midnight, one night,—a really successful one although we were novices at the sport. At one time, the fish were jumping and slithering around our legs in such numbers we could grab them by the handful. Certainly recommend this outing for an exciting adventure. Anyway, back to our ranch and news, other than the quakes and heat which you seem to have had your share of this past week.

Home from vacations are: Mrs. James White and son, Carter, of Mayfair road, from Caspar, Wyoming, and Denver, Colorado, where they visited relatives; the Herbert Hagens, Jackie and Donnie, of Hastings Ranch drive, from a trip to Northern California which included Carmel, San Francisco, Sacramento, and Fish Camp near Yosemite; the Robert Smallmans with Kirk and Linda, of Shadow Grove road, from a weekend in Mexico where they camped on the beach north of Ensenada; the Kenneth Kalers of Shadow Grove road, from Zion National Park, and Grand Canyon, where Kit and Mrs. Kaler hiked to the bottom of the canyon. The Kalers camped on the north rim of the canyon which they say is cooler than on the south rim; the Walter Claus family of Landfair road, from a most complete tour of national parks in and around Colorado, among them Pike's Peak where they made the trip up on the old cog railway; the Don Wilsons with Dale, Don Jr. and Dianne, of Hastings Ranch drive, from a camping trip at Rock Creek in the High Sierra; and the John Balluffs with son Douglas, of Landfair road, from a recent business and pleasure trip to Chicago. They visited Mr. Balluff's family in that city and enjoyed watching some of the Republican pre-convention activities there.

Social news — Mrs. Thomas Hogan's luncheon and canasta party in her home on Hampton road, for 20 guests, at which she honored three ladies—two house guests and a neighbor. Her house guests were her sister, Mrs. Malcolm Miller, who has recently returned from Venezuela where she lived for five years, and her aunt, Miss Margaret Ventress of Amarillo, Texas. The neighbor was our Mrs. William Holmes of Hampton road who left this week for a stay of two months at Del Mar. Guests from the ranch were Mmes. Jack Murphy, Frank Murphy, John Rosenlind and Robert Gingrich; next, the christening of our little Christine Elizabeth Simmons, four-month-old daughter of the A. J. Simmons of Mayfair road. The ceremony was performed at the St. Luke's Episcopal Church in Monrovia by Rev. Morton Kelsey. Mr. and Mrs. Leon Guinney of Brentwood are the proud Godparents of the baby. Following the service, the guests met for dinner at the Steak and Stein in Whittier; and finally a beautiful birthday luncheon, which we hear one of our daddys gave last week for his nine-year-old daughter. While Mrs. Emil Barlow of Canfield road was in the hospital with the new baby, Mr. Barlow found himself alone with a birthday celebration promised for their daughter, Barbara, but we hear the party was a huge success—hamburgers, games, prizes, and all the things that make it so. Barbara's guests were: Sandra Sigman, Julia Pauloo, Judy Gold, Dianne Wilson, Peter Hogaboom, Billie Ober, Billie Hogaboom and Joy Palmer, whose mother, Mrs. Joseph Palmer, gave Mr. Barlow assistance with the luncheon. (Maybe we mothers should turn that ordeal of kiddies' birthday parties over to the daddies. That is the answer, or is it?)

Visitors in the ranch: At the A. C. Wilfong's home on Greenhill road, Mrs. Wilfong's brother and family, the J. R. Pearsons with daughter, Judith, from Calgary, Alberta, Canada, for a two weeks' visit; at Dr. and Mrs. Michael H. Perlin's on Shadow Grove road, Mrs. Perlin's brother and family, Mr. and Mrs. Robert Gluckman and daughter, Gayleen, from Cleveland, Ohio, for a three weeks' visit. They came out here to get away from the heat — at least they find the nights cooler; and at the John Balluff's home on Landfair road, Mrs. Balluff's niece and nephew, Karen and Tenny Awes from San Diego. Mrs. Balluff's twin sister lives in San Diego and during the summer the mothers arrange for exchange visits of the children between the two families—an ideal way to keep them entertained during vacation months. We understand Douglas Balluff just returned from a visit in San Diego last week.

By the way, during these busy summer months, if you are unable to contact your correspondent at her home telephone number, would you please call the Sierra Madre NEWS office to give your items of news.

Local Men Enter Model Plane Contest

Two Sierra Madreans are among the 1000 entrants from all 48 states, Canada, Hawaii and Mexico, who are competing for the title of Grand National Champion of the 21st annual National Model Airplane Championships being held this week at the Naval Air Station, Los Alamitos (Long Beach).

Entered in the contest are Edward Phillips and his brother, Ernest C. Phillips Jr., both of 170 S. Michillinda. Ernest, however, is home on leave from the Army Chemical Center, Maryland, and has brought an Army buddy, Spencer Payne, to compete in the championships also.

All three men are registered in the radio-controlled models division. Aircraft in the model meet will take off and land from the flight deck of a scale model aircraft carrier, constructed especially for the event.

This miniature carrier, "Small Fry," is curved to conform to a controlled model plane course and employs the same type of arresting gear — sandbags and wires—as was used by Eugene Ely in the first landings on a ship on Jan. 18, 1911.

'PAPPY' WELCH FINDS HIMSELF IN RARE SPOT

"Pappy" Welch is usually presiding in somebody else's honor; but July 22 the genial member of the Lions Club was guest of honor at a huge birthday party himself.

Hosts were the Collection Counsellors, 141 E. Huntington drive, Arcadia. They had all the fixin's, too—cake, ice cream and the whole works, plus plenty of good wishes to one of the biggest well-wishers Sierra Madre's ever seen.

The sizeable birthday cake was inscribed "Happy Birthday Pappy—73 Years Young." His co-workers and friends also presented him with a Parker pen.

"Pappy" holds the position of Sales Manager of Collection Counsellors, and was recently appointed to the Board of Directors.

Parkers Visit Here from New Beach Residence

Mr. and Mrs. Thomas Mann Randolph Parker wese visitors last weekend to Sierra Madre from their new home at Hermosa Beach. Mrs. Parker will be remembered as Marjorie Barter, onetime editor of the Sierra Madre NEWS.

With their daughter, Christine, they were dinner guests of Merrill A. Miller of 674 Orange drive and his sister, Miss Maxine Miller.

The Parkers found time to drop in informally on a number of other friends here, after leaving Miss Zoe Barter at the home of the T. R. Baurles of 250 Rancho road, where she was a guest last week.

BACK FROM CANADA ....

Mrs. Eva C. Freeman, 169 Lowell, recently returned from a trip of several weeks to Montana, Edmundton and Lake Louise in Canada.

Carol Colvin, Mary Tiller Return From Camping At Stanley Ranch

Carol Colvin and Mary Tiller have returned after spending a week at the Stanley Ranch, near Saugus, camping.

Carol is the daughter of the Hugh Colvins of 585 W. Sierra Madre boulevard and Mary's parents are the Dixie Tillers of 125 N. Sunnyside.

TINY but VITAL

Many times, all the human body needs to conquer a disease is a tiny bit of help from a physician. Often he can catch a disease at the start and prescribe a treatment which decides the battle before it is well begun. That is why it's wise to have regular physical examinations made by your doctor. Regular examinations may save you much pain, discomfort, expense and even your life.

And bring your doctor's prescriptions to us. We will do everything we can to help him safeguard your health.

Storkland

Mr. and Mrs. William B. Burns Jr. announce the arrival of Patricia Ann on July 24.

Maternal grandparents are the C. L. Youngs of 214 Olivera Lane, where the baby and parents are visiting this summer. Paternal grandparents are the William Burns of Monrovia.

Patricia is the second granddaughter of the Youngs. Mrs. Young went East for the birth, on April 30, of Dorothy, daughter of Mr. and Mrs. A. W. McKinney III of New Jersey. The Sierra Madrean remained there until June.

ELLETS AT LA JOLLA

Mr. and Mrs. Charles Ellet Jr. and their three children are staying at La Jolla, where they are enjoying the racing season at Del Mar as well as the sun and sand of the San Diego resort. They will return to their home at 188 Auburn avenue about Sept. 6.

Sierra Madre includes many artists and writers among its populace.

MODERNIZE YOUR HOME WITH NEW PLUMBING FIXTURES

HEMET—Edris Jones, one of Hemet's Fair Maidens and little Phillip Hofmann, son of fair manager, Harry Hofmann, discuss the fine points of a handsome Holstein bull being groomed for show in the Junior Livestock division of the Farmers Fair of Riverside County at Hemet, Aug. 27 through Sept. 1. As the picture snapped Phillip wondered, "Why does he look at me like that?"

Infant Sees Grandfather For First Time

J. T. Edwards, 484 Mariposa, has been spending the past week getting acquainted with his newest granddaughter, Linda Nicholson, who, at the age of 5 months, has traveled half way around the world to visit her grandfather.

Infant Linda, who was born in the Kingdom of Saudi Arabia where her father, Russell L. Nicholson Jr., is employed by the Arabian American Oil Company, made the trip from Arabia to Sierra Madre with the poise of a veteran traveler.

"No one could have been a better traveler than Linda," her mother reports, "and the only disturbance the baby felt was the time change, there being 12 hours difference between the start and end of our journey."

"She is only now getting reconciled to sleeping during the hours she formerly was awake."

After leaving Arabia, Linda and her parents visited Beirut, Lebanon; Istanbul, Turkey; Frankfurt, Germany; and London, England, before boarding a plane for New York. They also spent a few days in Chicago with the baby's aunt, Mrs. George Sixta, a former resident of Sierra Madre.

In September the Nicholsons will return to Saudi Arabia by way of Amsterdam, Paris, Geneva, Rome and Cairo, and when Linda comes back to Sierra Madre in two years she will be old enough to speak of the adventure for herself.

Fund Will Make Braille Book Free to Blind

The Braille Institute of America, 741 N. Vermont avenue, is seeking donations to build up a fund for free subscriptions to its unique monthly publication for the blind, The Braille Mirror.

The Mirror was established 26 years ago by the institute, which now has one of the most complete and modern raised printing plants in the world.

Braille books and magazines are "printed" from thin zinc plates on which the raised dots making up the characters are punched into the metal by a machine with a typewriter-like keyboard. The Mirror is printed on heavy, 35-pound manila paper through a specially-built rotary press. It costs the Braille Institute, to publish and circulate the Mirror, $15 per year for 12 issues.

The free subscriptions fund is being developed since the $15 is more than most blind people can afford to pay.

BROWNS HOSTS AT SUPPER

Mr. and Mrs. William R. Brown of 369 Cypress Court, entertained a group of friends at an outdoor supper party Thursday evening.

TROLLS COMPLETE CAMPING JOURNEY

Mr. and Mrs. J. M. Troll have returned to their home at 469 Ramona after a 10-day camping trip through northern California.

With friends from Mariposa, they "went up one side and down the other," making special stops in the Redwoods, at Lake Tahoe and Reno.

Annual Flight Of Snowbirds Set Aug. 3

The yachting committee of the Newport Harbor Chamber of Commerce, sponsors of the annual Flight of the Snowbirds, wishes to remind entrants in this year's flight, scheduled for Sunday, Aug. 3, that a change has been made in the course of the race.

This year the boats will start at the same line opposite the Balboa Pavilion and will sail west and continue along in the North Lido Channel to the Lido Turning Basin where they will round marker No. 1 leaving it to port and sail back past the Balboa Pavilion to marker No. 2 off the east end of Balboa Island. They will round marker No. 2 leaving it to part and proceed back to the finish line which is the same as the starting line. All boats shall pass between the judges boat and the No. 2 red channel marker at all times.

Race committee officials said several instances of interference by spectator boats occurred last year which obstructed the participants at the starting line and also prevented the news photographers from obtaining good pictures of the start from the pavilion roof.

LANGES VACATION

Harry and Mrs. Lange are vacationing at Kernville for several days.

GOIN' FISHIN'

Dr. George Groth, Jr., and family will leave today for a fishing vacation in the High Sierra. They will return to their home, 147 N. Baldwin, on August 11.

CARRS TO VISIT LAGUNA

Mr. and Mrs. Peyton Carr III of 284 Hacienda road have returned from a visit to Lake Arrowhead and will leave next week to spend a month at Laguna Beach.

LUNCHEON-THEATER PARTY

Miss Pamela Oiler was guest of honor Saturday at a luncheon given by her mother, Mrs. H. W. Burke of 3 W. Carter, in honor of her ninth birthday. Following luncheon the ten guests were entertained for the afternoon at the Sierra Madre Theater.

CARLSONS HOSTS AT DINNER

Mr. and Mrs. Brice Carlson of Santa Anita Court had as dinner guests last week Mr. and Mrs. Hugh Bell of Columbia, S. C., and their daughter, Janet. Occasion of the dinner party was Mr. Bell's birthday. Mrs. Bell is Mrs. Carlson's sister.

Cub Scouts Camp In Backyard

Six Cub Scouts of Den 4, Pack 1, camped overnight Thursday in the backyard of the Charles A. Skutts, 111 N. Hermosa.

The boys had a weiner roast in the evening and cooked their own breakfasts in the morning. Taking part in the outing were Roger Skutt, Richard Dewey, Dougie Porter, Robert Schahn, Mark Yasskin and Mike Forster.

Smith Travels To Bedside of Ailing Mother

The Rev. Carl Smith, pastor of the Congregational Church, made an emergency trip to Phoenix, Ariz., this week because of the illness of his mother.

The Sierra Madre minister was expected to return home by yesterday.

(Adv.)

MENTAL STIMULUS

Strange, very strange (or is it?), "Tap and Tavern" states that alcoholic beverages seem to demoralize human beings.

The Dry Forces everywhere have been trying to show people that is exactly what happens when they take into their systems a poison and narcotic which the body does not want or need.

It is not "good sportsmanship" to "drink." It is an enslaving habit.—Harter WCTU

PLANNING NEW DECORATION?
